

Private Bookings

We would love to host your next event! The space at Penny Drip is perfect for happy hours, casual receptions, and more! We offer two spaces, one is our 'Snook' area that seats about 8-10 people with couches and chairs, or for larger events our Bar Area is quite accommodating for groups under 60. Please note the setup of Penny Drip is more of a casual mingling area and while we do have seating it's limited and not a traditional seated dinner style restaurant.

Based on the below chart is the rates for renting out either space. There is no rental fee just a minimum spends between drinks and food. We ask for a 2-hour minimum, and when your event time is over your group doesn't need to leave it just means any buffet items would be cleared and we would open back up to the public.
